PETITION UNDER 37 C.F.R. § 1.313(c)(2)
TO WITHDRAW FROM ISSUE
(ISSUE FEE PAID)

Applicants hereby request that the above application, in which the issue fee was paid on October 20, 2009, be withdrawn from issue in order to consider the Request for Continued Examination (RCE) and Information Disclosure Statement being submitted herewith. In support of this Petition, Applicants submit:

(a) The Commissioner is hereby authorized to charge the Petition fee of \$130 to Deposit Account No. 50-1017 (Billing No. **209369.0120**); and

(b) The following showing of good and sufficient reasons why withdrawal of the application from issue is necessary.

The withdrawal of the application from issue is necessary in order to consider an additional reference. This reference, which is submitted with the Information Disclosure Statement filed herewith, could not have been submitted earlier because it was received by Applicants' undersigned U.S. attorney on November 25, 2009. Accordingly, this Petition and the accompanying RCE Request and Information Disclosure Statement were filed as quickly as possible. Moreover, the reference is a Chinese Office Action that was issued after October 20, 2009, so it would not have been possible to file it before payment of the issue fee.

In view of the above, grant of this Petition to withdraw the application from issue and consideration of the RCE and Information Disclosure Statement are respectfully solicited.

Dated: November 25, 2009

Respectfully submitted,

By
